About HARC

HARC creates a safe haven where participants engage in supported communication, therapeutic socialization, recreation and camaraderie to fully participate in life.

HARC is a non-profit wellness center for persons with aphasia. We offer various language-based programs which provide opportunities for participants to further their language recovery in a supportive environment. By coming to HARC, our members gain the communication skills to improve their confidence and overall quality of life to live successfully with aphasia.

There is nothing so precious as the ability to understand and be understood.
