- Vaccinations are required of all staff, participants, and essential volunteers.
- We are allowing a maximum of 10 participants per day, based on current state and local guidelines.
- We are practicing daily wellness checks for everyone entering our facility.
- We are disinfecting all surfaces at the end of each business day.
- We are enforcing masking, social distancing, and a limited number of participants per day. No outside visitors or tours are allowed at this time.
- Registration Required to attend programs.
